Retraction Note: Cell & Bioscience (2020) 10:4

The Editor-in-Chief has retracted this article after the investigation by the publisher found that potential image overlap in Figs. 2f, 4e, 5f, 6e and 7a. The authors failed to provide raw images and an ethical approval document.

In addition, the corresponding author stated that he was not aware of the publication of this article and his email address provided on submission was not his email address. None of the authors responded to any correspondence from the editor/publisher about this retraction.
